Åndalsnes

PORTS OF ROMSDALSFJORD

Åndalsnes

“Then he told him about Åndalsnes, a tiny settlement up in Romsdalen valley, surrounded by high mountains which were so beautiful that his mother had always said that that was where God had started when he was creating the world, and that He had spent so long on Romsdalen that the rest of the world had to be done posthaste to be finished by Sunday.”

– Jo Nesbø, The Bat.

At the end of beautiful Romsdalsfjord lies the small town of Åndalsnes, idyllically located in the valley of Romsdal by the mouth of the river Rauma. Åndalsnes is home to some of the highest mountains in Norway and many scenic attractions. Enjoy the lively emerald green river Rauma, lush waterfalls, steep mountains and magnificent bridges.

Highlights

Highlights include the spectacular Trollstigen road, an exceptional driving experience up a series of narrow hairpin bends, providing a great view of the dramatic mountain peaks surrounding it.

Another well known attraction is Trollveggen, the highest vertical mountain in Northern Europe.

The Rauma Railway, built in 1924, is a must-see when visiting Åndalsnes. Lonely Planet named it “the most scenic train journey in Europe”. Don’t miss a ride on The Golden Train from Åndalsnes to Bjorli.

Experience the Romsdalen Gondola, a shortcut to the fantastic fjord and mountain views of Romsdalen. Located right above the town of Åndalsnes, surrounded by the famous Romsdal mountains, is Mount Nesaksla (708 m.a.s.l.). A state-of-the-art electric cable car takes you 1 679 m from the fjord and up the mountainside.

TROLLSTIGEN

An exceptional driving experience along a route steeped in tradition, through scenery with deep fjords and lush valleys. The Trollstigen road leads up a series of narrow hairpin bends, providing a great view of the dramatic mountain peaks surrounding it. Once on top of the plateau, the restaurant and viewpoints show Norwegian architecture at its best, and the view from the top is a sight to behold. Stop for lunch and visit the Trolls who reside there. Trollstigen is one of the Norwegian Scenic Routes.

Tour description

The excursion goes by bus from the port through the deep valleys and up the steep and winding Trollstigen road. The excursion includes several photo stops on the way up Trollstigen, at Trollstigen viewpoint, as well as a lunch stop at Trollstigen Gjestegård (optional). This tour can also be arranged as a roundtrip with stops at Gudbrandsjuvet ravine and the old Stordal Rose Church.

BØSTØLEN SUMMER FARM

Facts	
Season	June – August
Duration	3–4 hours
Capacity	Max 50 pax
Note	Not accessible for wheelchairs
Supplier	Magnhild Vik

In earlier times, Norwegians sent their livestock up to the mountains during summer to take advantage of the pastures in areas that were uninhabitable during the colder months. Shepherds would live in a small cabin (seter) to be near the animals. In wonderful surroundings, the guests are invited to join the mountain farm life, taste local traditional food, pet the goats and enjoy the tranquility. Visitors can enter the cabins and see how people lived during the summer months in the mountains, up to present time where the cabins are mostly used during weekends and holidays.

Tour description

The excursion goes by bus to Bøstølen, a 30 min. drive from the cruise port. An easy, 200 meter long walk on a gravel path to the summer farm.
